

My vlog to Rocco and Mia: <https://youtu.be/zl2ihFXDpil>

I travelled 850 miles to Saginaw, MI to visit my captive children. It was an epic failure.

last time I saw children (december 8th 2016)

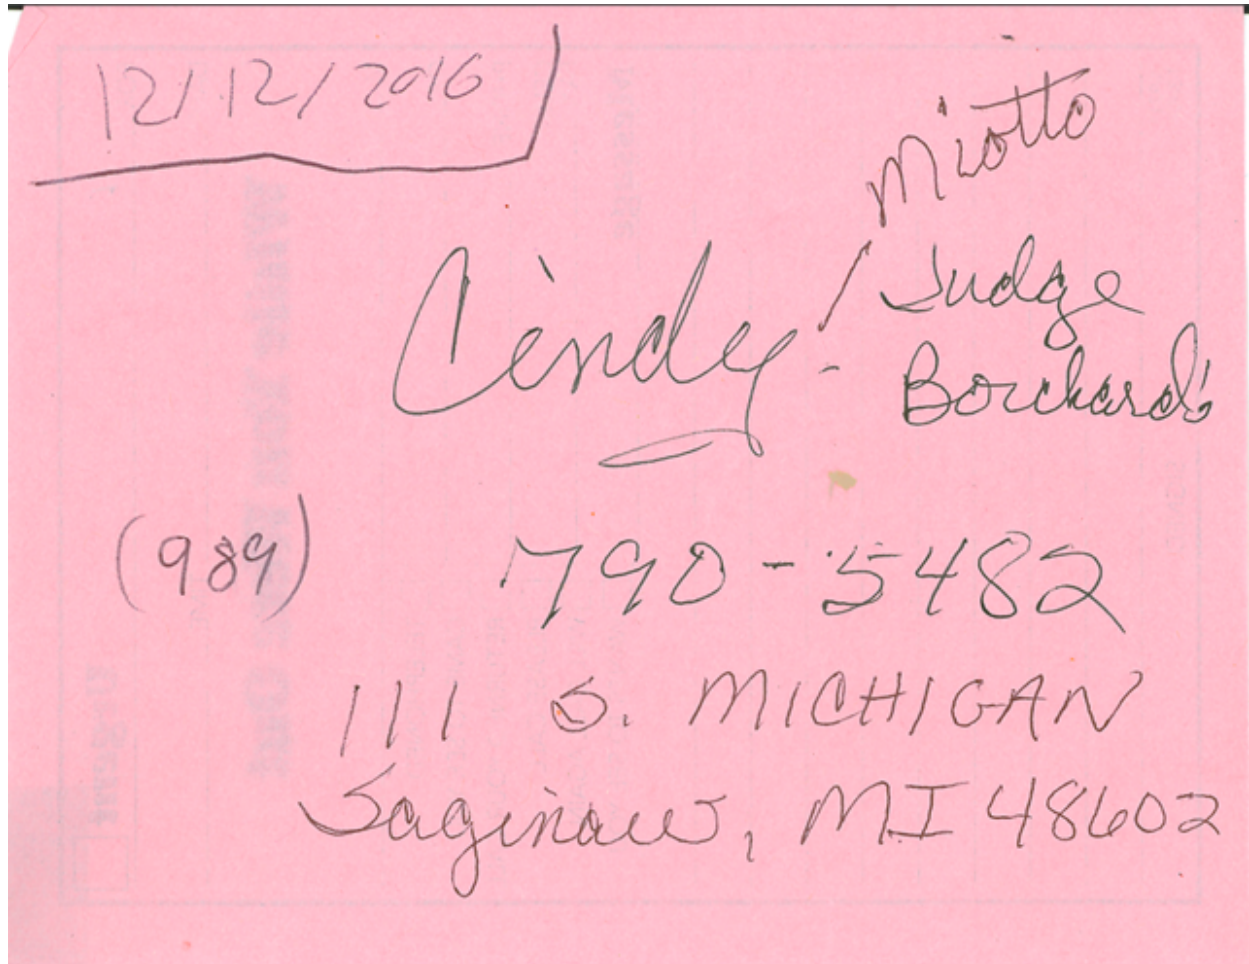

I experienced another witch/which doctor problem

Where someone claiming to be [Katherine Arkell LMSW, RPT-S, Family Therapist](#) provided conflicting accounts of children's well being to father's voicemail and a secret Saginaw court hearing where Judge James Bourchard

suspends parenting time

...and the court clerk Cindy Miotto won't produce transcripts. So, I complained to the Friend of Court about this and

AFFIDAVIT & REQUEST FOR ENFORCEMENT OF PARENTING TIME

I hereby swear that I was denied parenting time on 12/26/2016 at 12:00pm, Eastern Daylight Time (EDT)
(date) (time)

and/or Melissa Jayne Calice has violated the parenting time Order. Further, there
(other party's name)

is a parenting time Order in effect which was entered 7/20/2015 and which grants me
(date)

the above parenting time and Melissa Jayne Calice has violated the Court Order and should
(other party's name)

be found in contempt of Court. The following not only describes what happened, but also supports my claim (attach additional pages if necessary).

Maryland husband's domestic complaint filed on August 17th, 2012 for immediate return of their kindergarten & preschool

children for 2012-2013 school year immediately after behavioral incident associated with Timothy McLeod (P29880)

manufacturing and filing an irregular affidavit of Michigan residency for his client at 62 Corral Saginaw, Michigan 48638.

My son is on medication that requires that his prescribing doctor be immediately notified if change occurs in behavior.

I request that the Friend of the Court set a Show Cause Hearing before the Court. I understand that if I make false statements on this document, or that this matter was filed frivolously, I am subject to a Court fee for the Friend of the Court having to file an Order to Show Cause against the other party (**MINIMUM FEE IS \$150.00**).

Any alleged denials occurring more than 30 days before submission of this form will not be considered.

(This document must be signed and notarized below. It is the duty of the party submitting this form to obtain the notary).

I hereby request child support services under the child support enforcement program of Title IV-D of the Social Security Act. I understand that any information provided to me on my behalf is to be used only for the purpose of establishing paternity or securing child support. I also swear the above to be true to my information and belief.

I continue to be baffled at how unprofessional Michigan legal professionals are permitted to manufacture bogus (fake) residency affidavits in order to traffick non-residents into their rural school and health systems.

I notified the Michigan Attorney grievance committee of this, but they do not hold attorneys accountable for manufacturing bogus residency affidavits (see: <http://tonycalice.wikispaces.com/AttorneyGrievance>)

The disciplinary system does not function as a monitor of pending litigation. If you have not done so already, you should bring your concerns to the attention of the trial judge. At this time, given the existence of your lawsuit and the nature of your claims, we decline to conduct an investigation of the matter.

Mr. McLeod has been provided with a copy of your Request for Investigation. If my staff or I can be of service to you in the future, please do not hesitate to contact us again.

Very truly yours,

Also, the unprofessional michigan Judge Borchard asserts his superior right decide a 2012 maryland property complaint reported in Maryland to Maryland Police by a Maryland Social worker regarding property in Maryland. To further complicate issues Judge James Borchard is now claiming to have heard a complaint for divorce (without a hearing transcript or even having a complaint for divorce filed with the clerk).

My attempt to put together pieces of this convoluted rural Michigan legal system has only resulted in the below included print-out from Judge Bourchard's clerk and a bill from the County Clerk for my records requests or Judge Bourchard's oath of office.
